

# Enhancing Data Infrastructure for Collection and Integration of Social Determinants of Health Data Across PCORnet®

NOVEMBER 4, 2021, 2:00 PM – 3:30 PM ET

## OBJECTIVES FOR WEBINAR

- ❖ Discuss the current state of SDOH data collection by PCORnet network partners
- ❖ Discuss opportunities to optimize accessibility and availability of individual-level, population-level, and community-based SDOH data to support PCORnet research
- ❖ Engage stakeholders on short-term and long-term infrastructure priorities to enhance SDOH data capture for network-wide research

---

**2:00 PM – 2:05 PM ET**

### **Welcome and Opening Remarks**

PRASHILA DULLABH, NORC at the University of Chicago

**2:05 PM – 2:15 PM ET**

### **PCORnet Overview**

NIK KOSCIELNIAK, PCORI

**2:15 PM – 2:20 PM ET**

### **Current Landscape of SDOH Data Use and Collection across PCORnet**

*A brief overview of 2021 survey findings on SDOH collection among PCORnet Research Network Partners and introduction of the main opportunities for discussion*

LAUREN HOVEY, NORC at the University of Chicago

**2:20 PM – 2:40 PM ET**

### **Opportunities for Leveraging Existing SDOH Data across PCORnet**

*Discuss opportunities to leverage and strengthen existing SDOH data within the network*

#### **Speakers:**

JON PURO, ADVANCE and OCHIN

KEITH MARSOLO, PCORnet Coordinating Center, Duke University

**2:40 PM– 3:00 PM ET**

**Opportunities for Incorporating Other Sources of Social Sector Data across PCORnet**

*Discuss opportunities to access SDOH data from CBOs and community-based referral platforms through data infrastructure and partnerships*

**Speakers:**

THOMAS CARTON, REACHnet, Louisiana Public Health Institute  
JACOB REIDER, Alliance for Better Health

**3:00 PM – 3:20 PM ET**

**Opportunities for Optimizing Individual- and Population-Level Analysis**

*Discuss opportunities to enable geocoding across the network and to facilitate data linkages to external sources of population-level SDOH data*

**Speakers:**

ELIZABETH SHENKMAN, OneFlorida, University of Florida – UFHealth  
ERIKA COTTRELL, ADVANCE, Oregon Health and Science University, OCHIN

**3:20 PM – 3:30 PM ET**

**Final Thoughts and Q&A**

PRASHILA DULLABH, NORC at the University of Chicago  
LAUREN HOVEY, NORC at the University of Chicago

**3:30 PM ET**

**Adjourn**
